1. Hand gun event: Steve Schmit, T.J. Schroeder, and Larry Brown.
2. Magnum selling memberships:
3. C & C classes at Magnum Sports.

Members attending: President Dave Lawson, Secretary Quint Lohse, Board members Steve Schmit, Brad Stephans, Ryan Forbes, and Steve Prinsen. Absent: Treasurer Greg Eichten and Vice President T.J. Schroeder.

Old business:

We are still waiting on more bids for the new club house sign, but progress is being made.

Brad has selected June 29th and August 3rd for the 3-D archery shoot dates. All club ranges will be closed on these days. One or more of the shoots may be followed by a night shoot, more info on this as the dates draw near. Brad will need eight to ten people to help set up and take down targets, cook, register, etc., plan ahead to help with this fun event.

We are still looking for a club member with energy and a paint sprayer to paint the club house porta-potty green to match the club house.

Ryan showed members at the meeting the new no shooting till 9 A.M. shooting signs and he will put them up soon.

Earlier in April the club approved a donation suggested by Ryan to the Chatfield Youth Sports Association for \$500.00. Ryan has presented them with the check from the club.

Steve Prinsen put a hitch on the mower and it was decided that a garden trailer would be adequate to haul target lumber to the range areas. Ryan and Greg Forbes will donate a trailer

to the club for this purpose, thank you Ryan and Greg!! Quint also donated three grill utensils to the club for the new grill.

Chris and Jerry Spelhaug are putting together metal targets for the 300 yard marker that were earlier approved by the club. They will have this work done soon for all to enjoy, thanks to both of them! Since this meeting the work has been completed (see attachment), unfortunately some individual has already shot a hole in the frame. If anyone is aware of this careless act, please contact a club officer or board member so disciplinary action can be taken.

The old section of the club house still is leaking after club members and professional contractors tried to fix this problem during the past few years. It was decided to bite the bullet and replace the old section of the roof. Dave will contact the contractor who put on the new addition and also the person who tried to repair the roof for bids.

New business:

A team made up of T.J. Schroeder, Larry Brown and Steve Schmit have been working on putting together a pistol event at the club. On July 13th the pistol range will be closed from 9 A.M. to 4 P.M. for this event. The cost to enter will be \$35.00 for non-members and \$25.00 for club members. Profits will be given to the Fish and Game Club and Iron Woods Christian Ranch in Stewartville to benefit kids and Veterans who attend the camp this year. More details will be sent out in the near future after the team meets again.

Ryan will talk to the owners of Magnum about selling our memberships and report back to the board on this matter.

The conceal and carry (C&C) guidelines, if Magnum conducts a class, remain unchanged. If they put on a class the \$50.00 range fee is waived but they still must collect \$10.00 per student for a daily pass per email vote by the board on 2-22-18. The \$50.00 range fee is waived because Magnum sells memberships for the Fish and Game Club.

The meeting was adjourned by President Lawson at 8:15 P.M. Minutes by Secretary Quint Lohse.
